

Mobile App Privacy Policy

Last modified: August 25, 2026

Introduction

Goose Games LLC ("**Company**" or "**We**") respect your privacy and are committed to protecting it through our compliance with this policy. This policy describes:

- The types of information we may collect or that you may provide when you download, install, create an account on, access, or use the Odd Dog app(the "**App**").
- Our practices for collecting, using, maintaining, protecting, and disclosing that information.

This policy applies only to information we collect in this App ,and in email, text, and other electronic communications sent through or in connection with this App.

This policy DOES NOT apply to information that:

- We collect offline or on any other Company apps or websites, including websites you may access through this App.
- You provide to or is collected by any third party, including other apps, websites, or content that may link to or be accessible from or through this App (see [Third-Party Information Collection](#)).

Our websites and apps, and these other third parties may have their own privacy policies, which we encourage you to read before providing information on or through them.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, do not download, create an account, or use this App. By downloading, creating an account, or using this App, you agree to this privacy policy. This policy may change from time to time (see [Changes to Our Privacy Policy](#)). Your continued use of this App after we revise this policy means you accept those changes, so please check the policy periodically for updates.

Children Under the Age of 18

The App is not intended for children under 18 years of age. No one under age 18 may provide any [personal] information from children under 18. We do not knowingly collect personal information from children under 18. If you are under 18, do not use or provide any information on this App or through any of its features, create an account on the App, or provide any information about yourself to us, including your name, address, telephone number, email address, or any screen name or user name you may use.If we learn we have collected or received personal information from a child under 18 without verification of parental consent, we will delete that information. If you believe we might have any information from or about a child under 18, please contact us at ross@odddog.app.

Information We Collect and How We Collect It

We collect information from and about users of our App:

- Directly from you when you provide it to us.

- Automatically when you use the App.

Information You Provide to Us

When you download, create an account, or use this App, we may ask you provide information:

- By which you may be personally identified, such as name, postal address, email address, telephone number, or any other identifier by which you may be contacted online or offline ("**personal information**").
- That is about you but individually does not identify you, such as usernames or screennames.

This information includes:

- Information that you provide by filling in forms in the App. This includes information provided at the time of creating an account on the App, and posting material, and] requesting further services. We may also ask you for information when you enter a contest or promotion sponsored by us, and when you report a problem with the App.
- Records and copies of your correspondence (including email addresses and phone numbers), if you contact us.
- Your responses to surveys that we might ask you to complete for research purposes.

You may also provide information for publication or display ("**Posted**") on public areas of the app (collectively, "**User Contributions**"). Your User Contributions are Posted and transmitted to others at your own risk. Additionally, we cannot control the actions of third parties with whom you may choose to share your User Contributions. Therefore, we cannot and do not guarantee that your User Contributions will not be viewed by unauthorized persons.

Information We Collect Through Automatic Data Collection Technologies

As you navigate through and interact with our App, including when you download, access, or use the App, we may use automatic data collection technologies to collect certain information about your device and your browsing and usage activity and patterns, including:

- **Usage Details.** When you access and use the App, we may automatically collect certain details of your access to and use of the App, including logs and other communication data and the resources that you access and use on or through the App.
- **Device Information.** We may collect information about your mobile device and internet connection, including the device's unique device identifier, IP address, operating system, browser type, mobile network information, and the device's telephone number.
- **Stored Information and Files.** The App also may access metadata and other information associated with other files stored on your device. This may include, for example, photographs, audio and video clips, personal contacts, and address book information.
- **Location Information.** This App does not collect real-time information about the location of your device.

If you do not want us to collect this information do not download the App or delete it from your device. For more information, see [Your Choices About Our Collection, Use, and Disclosure of Your Information](#).

The technologies we use for automatic information collection may include:

- **Cookies (or mobile cookies).** A cookie is a small file placed on your smartphone. It may be possible to refuse to accept mobile cookies by activating the appropriate setting on your smartphone. However, if you select this setting you may be unable to access certain parts of our App.
- **Web Beacons.** Pages of the App and our emails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those pages [or opened an email] and for other related app statistics (for example, recording the popularity of certain app content and verifying system and server integrity).

We do not collect personal information automatically, but we may tie non-personal information collected automatically to personal information about you that we collect from other sources or that you provide to us.

Third-Party Information Collection

When you use the App or its content, certain third parties may use automatic information collection technologies to collect information about you or your device. These third parties may include:

- Advertisers, ad networks, and ad servers.
- Analytics companies.
- Your mobile device manufacturer.
- Your mobile service provider.

These third parties may use tracking technologies to collect information about you when you use this app. The information they collect may be associated with your personal information or they may collect information, including personal information, about your online activities over time and across different websites, apps, and other online services websites. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content.

We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly.

How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal information, to:

- Provide you with the App and its contents, and any other information, products, or services that you request from us.
- Fulfill any other purpose for which you provide it.

- Give you notices about your account, including expiration and renewal notices.
- Carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- Notify you when App updates are available, and of changes to any products or services we offer or provide through it.

The usage information we collect helps us to improve our App and to deliver a better and more personalized experience by enabling us to:

- Estimate our audience size and usage patterns.
- Store information about your preferences, allowing us to customize our App according to your individual interests.
- Speed up your searches.
- Recognize you when you use the App.

We may also use your information to contact you about our own and third parties' goods and services that may be of interest to you. If you do not want us to use your information in this way, please adjust your user preferences in your account profile. For more information, see [Choices About How We Use and Disclose Your Information](#).

We may use the information we collect to display advertisements to our advertisers' target audiences. Even though we do not disclose your personal information for these purposes without your consent, if you click on or otherwise interact with an advertisement, the advertiser may assume that you meet its target criteria.

Disclosure of Your Information

We may disclose aggregated information about our users, and information that does not identify any individual without restriction.

In addition, we may disclose personal information that we collect or you provide:

- To our subsidiaries and affiliates.
- To contractors, service providers, and other third parties we use to support our business.
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Goose Games LLC's assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal information held by Goose Games LLC about our App users is among the assets transferred.
- To third parties to market their products or services to you if you have consented to/not opted out of these disclosures.
- To fulfill the purpose for which you provide it. For example, if you give us an email address to use the "email a friend" feature of our App, we will transmit the contents of that email and your email address to the recipients.
- For any other purpose disclosed by us when you provide the information.

- With your consent.

We may also disclose your personal information:

- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.
- To enforce our rights arising from any contracts entered into between you and us, including the Mobile Application Terms of Service.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Goose Games LLC, our customers, or others.

Choices About How We Use and Disclose Your Information

We strive to provide you with choices regarding the personal information you provide to us. This section describes mechanisms we provide for you to control certain uses and disclosures of over your information.

- **Tracking Technologies.** You can set your browser to refuse all or some browser cookies, or to alert you when cookies are being sent. If you disable or refuse cookies or block the use of other tracking technologies, some parts of the App may then be inaccessible or not function properly.
- **Location Information.** The app does not track or store location information.
- **Promotion by the Company.** If you do not want us to use your email address to promote our own or third parties' products or services, you can opt-out by sending us an email. You can also always opt-out by logging into the App and adjusting your user preferences in your account profile by checking or unchecking the relevant boxes or by sending us an email stating your request to ross@odddog.app.
- **Targeted Advertising by the Company.** If you do not want us to use information that we collect or that you provide to us to deliver advertisements according to our advertisers' target-audience preferences, you can opt-out by sending us an email. You can also always adjust your user advertising preferences in your account profile by checking or unchecking the relevant boxes or by sending us an email stating your request to ross@odddog.app.
- **Disclosure of Your Information for Third-Party Advertising and Marketing.** If you do not want us to share your personal information with unaffiliated or non-agent third parties for advertising and marketing purposes, you can opt-out by sending us an email. You can also always opt-out by logging into the App and adjusting your user preferences in your account profile by checking or unchecking the relevant boxes or by sending us an email stating your request to ross@odddog.app.

We do not control third parties' collection or use of your information to serve interest-based advertising. However, these third parties may provide you with ways to choose not to have your information collected or used in this way. You can opt out of receiving targeted ads from members of the Network Advertising Initiative ("NAI") on the NAI's website.

Residents in certain states, such as California, may have additional personal information rights and choices. Please see [Your State Privacy Rights](#) for more information.

Accessing and Correcting Your Personal Information

You can review and change your personal information by logging into the App and visiting your account profile page.

You may also send us an email at ross@odddog.app to request access to, correct, or delete any personal information that you have provided to us. We cannot delete your personal information except by also deleting your user account. We may not accommodate a request to change information if we believe the change would violate any law or legal requirement or cause the information to be incorrect.

If you delete your User Contributions from the App, copies of your User Contributions may remain viewable in cached and archived pages or might have been copied or stored by other App users. Proper access and use of information provided on the App, including User Contributions, is governed by our terms of service <https://odddog.app/terms>.

Residents in certain states, such as California, may have additional personal information rights and choices. Please see **Your State Privacy Rights** for more information.

Your State Privacy Rights

State consumer privacy laws may provide their residents with additional rights regarding our use of their personal information.

Many states, including California, Colorado, Connecticut, Delaware, Florida, Indiana, Iowa, Montana, Oregon, Tennessee, Texas, Utah, and Virginia provide (now or in the future) their state residents with rights to:

- Confirm whether we process their personal information.
- Access and delete certain personal information.
- Correct inaccuracies in their personal information, taking into account the information's nature processing purpose (excluding Iowa and Utah).
- Data portability.
- Opt-out of personal data processing for:
 - targeted advertising (excluding Iowa);
 - sales; or
 - profiling in furtherance of decisions that produce legal or similarly significant effects (excluding Iowa and Utah).
- Either limit (opt-out of) or require consent to process sensitive personal data or process personal data of minors under 18, 17, or 16 years old.

The exact scope of these rights may vary by state. To exercise any of these rights please email ross@odddog.app.

Data Security

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure.

The safety and security of your information also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our App, you are responsible for keeping this password confidential. We ask you not to share your password with anyone. We urge you to be careful about giving out information in public areas of the App. The information you share in public areas may be viewed by any user of the App.

Unfortunately, the transmission of information via the internet and mobile platforms is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted through our App. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures included through the App.

Changes to Our Privacy Policy

We may update our privacy policy from time to time. If we make material changes to how we treat our users' personal information, it is our policy to notify you by email to the email address specified in your account and/or through a notice on the App's home page.

The date the privacy policy was last revised is identified at the top of the page. You are responsible for ensuring we have an up-to-date active and deliverable email address for you and for periodically visiting this privacy policy to check for any changes.
